SWIMMABLE BEACHES CABO

Los Cabos Swimmable Beaches Map

Guests not staying at these hotels still have easy access to swimmable beaches. For example, Medano Beach in Cabo San Lucas encompasses several miles of these beaches, beginning at the east side of the harbor entrance all the way to Villa del Palmar on the east end of the bay. Bars and restaurants here are plentiful, along with facilities for jet skiing, kayaking, waterskiing, banana boating, parasailing and volleyball. Plus, Me Cabo and Hotel El Ganzo each offer days passes for visitors not staying at their hotels.
